4. I recognize the difficult problems of manpower restrictions which confront the Agency but I feel strongly, as I believe you do also, that we should not permit a deceleration of the JOT Program. If we are to meet the Program levels authorized and expected, we should begin immediately to recruit and process the trainees for the July class. It is recommended, therefore, that you authorize the additional 25 ceiling positions now rather than defer the increase to 1 July 1965.
